

The course is **TWO** full laps starting in the corner at the thick white line and is followed by a quarter of the lap to the finish. The white line indicates the two full loops around the campus, once they run **AROUND** the start the second time, the red line will indicate the final run towards the finish. On the lower fields by the finish, they must keep to the **RIGHT** atop the hill for both laps. During the finish they keep to the left along the fence. The course will be fully marked. The distance is 2.4 Miles with one short steep hill and a rough trail.
